

# Using XML to build Small Business Solutions

## Overview

Among the Knowledge Solutions offered by Intellix Small Business Solutions is the basic solution type that provides the necessary framework for deploying a knowledge domain developed with the Intellix Designer. Small Business Solutions are typically based on so-called XML Guide Solutions, and in this course Intellix provides solution developers and technical consultants with the necessary knowledge and skills to customise Small Business Solutions to the needs of their company or their customer. To ensure this and to let participants test their gain of practical skills six hands-on exercises are included as an integral part of the course.

## Prerequisites - Knowledge and courses

- Firm experience with and knowledge of ASP, HTML, XML and XSL
- Familiarity with Intellix Knowledge Domains
- Familiarity with developing web solutions
- Introductory Course IX01 - Knowledge Mapping with the Intellix Designer

## Audience - Who should attend

- Solution developers affiliated with Intellix customers
- Technical consultants affiliated with Intellix partners

## Objectives - Knowledge and skills you will learn

- To provide you with an understanding of how an Intellix XML Guide Solution works
- To enable you to build and deploy customised Knowledge Solutions

## Course outline - Topics that will be covered

- Introduction to Knowledge Solutions
- The IKS interface, sessions and XML based communication
- Starting sessions by use of the OpenSession method
- Working with sessions by use of the ProcessRequest method
- Navigation methods
- Error handling methods
- Advanced topics and usages
- Six hands-on development exercises

## Next steps - Suggested courses

- Introductory Course IX02 - Introduction to the Intellix Solution Framework
- Solution Building Course SD02 - Presentation Layout for Enterprise Solutions
- Solution Building Course SD03 - Storing Sessions with Enterprise Solutions
- Solution Building Course SD04 - Business Integration of Enterprise Solutions

## Course registration

Course registration can be handled directly by calling Intellix throughout the day hours. Alternatively, you can use the [course registration form](#) or send an email to above address.

In case you prefer to stage an Intellix course in-house for a class of colleagues, please contact us for a special offer.

Various rebates apply if you participate in all the courses in a course track or in case two or more persons from the same organisation participate in a course.
